

Inc. Magazine Unveils Its Annual Exclusive List of America's Fastest-Growing Private Companies—the Inc.500|5000

FYI Solutions Ranks on the 2012 Inc. 500|5000

NEW YORK, August 21, 2012 -- *Inc.* magazine today ranked **FYI Solutions** on its sixth annual Inc. 500|5000, an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy—America's independent entrepreneurs. Unified Payments tops this year's list. **FYI Solutions** joins Yelp, yogurt maker Chobani, Giftcards.com, KIND and famed hatmaker Tilly's, among other prominent brands featured on this year's list.

"We are very pleased to be selected by Inc. for this prestigious award. This recognition places FYI Solutions amongst the most successful entrepreneurial businesses in the country, those businesses that create jobs and drive our economy by providing exceptional services and products to their clients." Mindy Rosner Zaziski, CEO

In a stagnant economic environment, median growth rate of 2012 Inc. 500|5000 companies remains an impressive 97 percent. The companies on this year's list report having created over 400,000 jobs in the past three years, and aggregate revenue among the honorees reached \$299 billion.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/5000.

"Now, more than ever, we depend on Inc. 500/5000 companies to spur innovation, provide jobs, and drive the economy forward. Growth companies, not large corporations, are where the action is," says *Inc.* Editor Eric Schurenberg.

Methodology

The 2012 Inc. 500|5000 is ranked according to percentage revenue growth when comparing 2008 to 2011. To qualify, companies must have been founded and generating revenue by March 31, 2008. They had to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2011. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2008 is \$100,000; the minimum for 2011 is \$2 million. As always, *Inc.* reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in *Inc.*'s September issue. They represent the top tier of the Inc. 5000.
