IBM Cognos 11 Event Invitation!

IBM just introduced the next generation of IBM Cognos Analytics for report consumers and authors. This new release offers a new simplified user interface along with a redesigned authoring, data modeling, and consumption experience.

Join us for this FREE live Workshop or Webinar to learn the many worthy product enhancements in IBM Cognos Analytics version 11.

- Demonstration of new key features
- Understand how to leverage your investments for your future Analytics
- Learn how to prepare for a version 11 upgrade
- **Hands-on workshop for first 40 attendees registered**

If you cannot attend the live event, we will also be holding two webinar sessions. If you haven't already, please register by clicking below.
