5:00-6:00 - Happy Hour

Register Online!

Join Us!

We want you to see Tableau 9.0 in action.

Whether you are curious about Tableau or a seasoned user, come see the new and existing features that create faster and smarter data analysis.

- Presentation of the new, optimized Tableau
- Show Tableau integration with open source R for predictive analytics
- Broadly address the Tableau data integration/blending topic

Tableau and FYI representatives will be on-hand to answer your questions.

You will be surprised how easy analytics can be.

Registered already? Thanks!
We look forward to seeing you.
